

**10th Annual Maine Farmers' Market Convention:
January 11, 2018
Augusta Civic Center**

Convention Sponsorship Information

Reach the decision-makers in your industry! The 10th annual Maine Farmers' Market Convention will be a bigger and better event than ever: a 2nd-floor takeover of the Augusta Civic Center on the third day of the Maine Agricultural Trades Show. This is your business' premier opportunity to connect in-person with the state's farmers, craftspeople and market managers.

Being a sponsor at the convention means you'll be building a stronger farmers' market network while heightening awareness about your company in the process. A variety of sponsorship options are available—let us help you figure out the best way to get noticed at this once-a-year gathering!

The Maine Farmers' Market Convention is hosted by the Maine Federation of Farmers' Markets, which runs statewide programs that help sustain Maine farms, connect market farmers, strengthen farmers' markets, and widen access to locally-grown food for all.

□ Contributing Sponsor- \$2500.00
